WHAT TO TAKE TO BED WITH YOU - not a joke.

Put your car keys beside your bed at night.

If you hear a noise outside your home or someone trying to get in your house, press the panic button for your car. The alarm will go off, and the horn continues to sound until you turn it off.

This tip is from a neighborhood watch coordinator. When you come home and start to put your keys away, think of this: It's a security alarm system that you already have. Test it. It will go off from most everywhere inside your house and will keep honking until your battery runs down or you reset it with the button on the key fob chain. It works if you park in your driveway or garage.

If your car alarm goes off when someone is trying to break into your house, odds are the burglar won't stick around. After a few seconds, all the neighbors will be looking out their windows to see who is out there and criminals don't want that. Carry your keys in hand while walking to your car in a parking lot. The alarm can work the same way there. This is something to share with everyone.

P.S. Useful for any emergency, such as a heart attack, where you can't reach a phone. My Mom suggested my Dad carry his car keys with him in case he falls outside and she doesn't hear him. He can activate the car alarm and then she'll know there's a problem....

SIDEWALKS: Replace and Improve requested by JTCA are complete at "Walter Fuller Baseball Center"!

**MidiCi “Gourmet Pizza” and Italian fare
Tyrone Mall, next to Bonefish Grill, 2424 Tyrone Blvd.**

Neapolitan pizza is art ~ a wood-fired oven is key element in the baking of Neapolitan Pizza. The moisture and aroma of the wood allows the crust to maintain its internal softness, as well as ensuring large bubbles inside the dough, and the typical aroma of cooked bread. Each oven burns at the dome at about 1000° Fahrenheit, the temperature needed to bake Neapolitan Pizza to perfection in 90 seconds.

Menu: Antipasto (Appetizer); Burrata plates (fresh Italian buffalo milk cheese from cream and mozzarella); 10 Insalata (Salads); 5 Neapolitan Gourmet Pizzas; 15 Gourmet Specialty Pizzas; Dolce (Desserts); Gourmet Italian Coffee Bar and Teas; Wine, Beer, Cocktails. Gluten Free and Vegan cheese and sausage available.

MidiCi's "Lunch Special" includes any two-topping classic Neapolitan pizza, a Caesar or house salad and any soft drink (\$8.95). MidiCi's happy hour special is two-for-one draft beer and wine by the glass, Sunday through Thursday, 3 p.m.-6 p.m., and 9 p.m. to close.

MidiCi is conveniently located in Tyrone Square Mall next to Bonefish Grill at 2424 Tyrone Blvd. For more information visit mymidici.com. For take-out, call 727-302-0777. Delivery available via Uber Eats. Hours: Sunday through Thursday, 11 a.m. to 11 p.m., and 11 a.m. until midnight, Friday and Saturday.

BEWARE STRANGERS BRINGING UNORDERED GIFTS!!

Very clever **credit card scam!** This is a new one!

This is very clever. I would probably fall for it if not warned.

Give this wide distribution. This scam is very clever. Be very careful out there!

Beware of people bearing gifts.

The following is a recounting of the incident from the victim:

Wednesday a week ago, I had a phone call from someone saying that he was from some outfit called: "Express Couriers," (The name could be any courier company). He asked if I was going to be home because there was a package for me that required a signature.

The caller said that the delivery would arrive at my home in roughly an hour. Sure enough, about an hour later, a uniformed delivery man turned up with a beautiful basket of flowers and a bottle of wine. I was very surprised since there was no special occasion or holiday, and I certainly didn't expect anything like it.

Intrigued, I inquired as to who the sender was.

The courier replied, "I don't know, I'm only delivering the package."

Apparently, a greeting card was being sent separately.

(The card has never arrived!) There was also a consignment note with the gift.

He went on to explain that because the gift contained alcohol, there was a \$3.50 "delivery/ verification charge," providing proof he actually delivered the package to an adult (of legal drinking age), and not just left it on the doorstep where it could be stolen or taken by anyone, especially a minor.

This sounded logical and I offered to pay him cash. He said the delivery company required payment by credit or debit card only, so that everything is properly accounted for, and this helped in keeping a legal record of the transaction.

He added, "Couriers don't carry cash to avoid loss or likely targets for robbery."

My husband, who by this time was standing beside me, pulled out his credit card, and 'John,' the "delivery man," asked him to swipe the card on a small mobile card machine with a small screen and keypad. Frank, my husband, was asked to enter his PIN number and a receipt was printed out. He was given a copy of the transaction.

The guy said everything was in order, and wished us good day.

To our horrible surprise, between Thursday and the following Monday, \$4,000 had been charged/withdrawn from our credit/debit account at various ATM machines.

The "mobile credit card machine," which the deliveryman carried had all the info necessary to create a "dummy" card with all our card details including the PIN number.

Upon finding out about the illegal transactions on our card, we immediately notified the bank which issued us a new card, and our credit/debit account was closed.

We also personally went to the Police, where it was confirmed this is definitely a scam because several households had been similarly hit.

WARNING: Be wary of accepting any "surprise gift or package," which you neither expected nor personally ordered, especially if it involves any kind of payment to receive the gift or package. Also, never accept anything if you do not personally know or there is no proper identification of who the sender is.

Above all, the only time you should give out any personal credit/debit card information is when you yourself initiated the purchase or transaction!

PLEASE Pass this on, it may just prevent someone else from being swindled.

(Call the Police to come if you get a phone call arranging a visit.)
