“ENTWINED” Sculpture

In 2006, **Tom Killian** developed a **JTCA Art Committee** to acquire an art creation for Jungle Terrace. The **City’s Art Director** facilitated at two JTCA meetings. We did a “Call for Artists” locally, regionally, and nationally. The Committee and Membership continued to refine the applications, ultimately choosing “**ENTWINED**” by local sculptor **Robbie Robins**.

The location was to be on 22nd Ave. North by Azalea Middle School. In 2007, our Art Grant Application with the City was NOT awarded. In 2009, led by **Dr. Ed**, JTCA applied again. Due to politics, it was not awarded a 2nd time, even with Herb Polson’s help keeping the grant amounts at \$25,000 after total dollars were cut by 60%.

By 2011, sidewalks around **Jungle Lake** were complete and a new location for “**ENTWINED**” was envisioned by the lake, dog park, and confluence of 3 sidewalks. Thanks to the patience of **Sculptor Robbie Robins** and his generous \$10,500 in-kind donation, and the persistence of JTCA, the grant was awarded, then approved by **City Council**. Then by the **Art**

“Sculptor Robbie Robins and Dr. Ed with ENTWINED”

Committee, plus the **Gifts to City Committee**.

What began in 2006, and re-re-began in August of 2011 is now complete in March of 2013 – the **Crowning Jewel** in the “**Crown Jewel**” of city parks. Thank you **Robbie Robins**, thank you **City of St. Pete**, and Thank You to all **JTCA Volunteers** who participated and persevered in creating this wonderful addition to **WFP** and **Jungle Terrace**.

Bob Bielicki, Concrete Contractor, constructed the base for ENTWINED. **Volunteers** helped level the surrounding area and lay sod, then apply sand for the final leveling. **Park Staff** trimmed the big oak tree and moved the sprinkler.

A worthy endeavor and creation of art. City and Jungle Terrace dollars, plus Volunteer Time funded this sculpture in excess of \$50,000 value.

President's Message

Dr Ed Carlson

Wonderfully powerful and beautiful series of enhancements this quarter.

“**ENTWINED**” stainless steel sculpture in Walter Fuller Park is finally a reality!

New Officers and Board went to work the day after elections for a 2½ hour Board Meeting.

Dr. Ed Carlson, President, **John Sweeny**, Vice President, **Jill Silverstein**, Treasurer, **Sharon and Pete Brown**, Secretary, Directors **Susan Buckley, Eileen Dardis, Dr. Roland Martens, Rich Meredith and Yaro Markewycz**.

Bob Miller has returned as JTCA Newsletter Editor, and continues as Webmaster. Take a look at our new Home page that Bob has streamlined, www.Jungle-Terrace.org. Bob and **Jill Silverstein** have done a marvelous job recruiting members to pay

dues and regaining our advertisers. The NEW Advertisers button on Home Page details everything about advertising in JTCA Newsletter. Simply send potential advertisers to JTCA website.

Willow Tree Nursery, 4401 49th St. No., has supplied plants at wholesale cost for major gardens at Tyrone Overpass, WF Baseball Complex, and 30th Ave. No. Thank you, Dennis!

Bike Path from Pinellas Trail to Walter Fuller Park: Three months of intense negotiations, letters, and meetings with **Transportation**, and then with **Mayor Foster** by **Dr. Ed, Tom Killian and Board**, resulted in the diversion of the Path to terminate at the Swim Center – a creative resolution for all.

Councilman Charlie Gerdes signed JTCA letter to **Sports Authority** about painting their fence. Sports Authority is scheduled for a remodel in March. Hand delivered, with Self Addresses Stamped Envelope to tell us the dates and that fence is included. No Response. Codes Complaint is being filed.

Police and NSSP got vehicles to move off the Right of Way on 26th Ave by Soccer.

St. Pete Baseball Commission's Pete Samsoe posted four "NO Parking in Park" signs at NSSP request after a weekend where 25 vehicles parked in the park. **Parks Dept.** replaced the removable curbs, painted white at the two driveways into the park on 30th Avenue by the Dog Park.

NSSP had Police investigate chopping down of a tree with hatchet or machete in north side of lake, and vandalism of the Shelter by the

Volunteers garden.

NSSP and JTCA continue requesting of Mayor, Parks,

Councilman Gerdes: 1. Uniform in Park 2 hours twice a week, 2. GPS Safety Markers – already budgeted by City Council, 3. Permit for after hours in park for 2 NSSP riders.

Azalea Middle School random NSSP rides continue. Principle Dr. Kolosey reports a 50% decline in the number of arrests last semester.

NSSP's Yaro Markewycz and Dr. Ed participated in planting a 100+ plants garden for the interior courtyard of **Azalea Middle School**. +++

Pinellas Trail Improvements by JTCA

Tom Killian, Jungle Terrace Civic Association, using the proper color paint provided by **Chief Ranger Gray**, and delivered by **Ranger Delgado**, where Trail meets 22nd Ave. No. in St. Pete, painted:

1. Bench
2. Bike Rack
3. Wood on the Sign
4. Trash Container wood

Another Trail enhancement! Whole section looks great. Thanks to all **JTCA Volunteers** for all you do to keep our Trail becoming nicer and nicer.

Lyle Fowler, Pinellas County Parks and Recreation, writes: "Wow...looks great. I copied **Sandy Wilson**, Volunteer Coordinator, too so she can see." **Sandy** writes: "Wow, this looks fantastic! Thanks, Dr Ed for sharing the photos and a special "Thank You" to Tom (and to everyone involved in getting the materials out there).

Dr. Roland Martens, JTCA Board, prompted gathering of information to **Adopt a Mile** of the Pinellas

Trail, picking up our section every other month (with another group doing alternate months).

Two signs with JTCA would be placed on the Trail at each end of our section. Please give your email address to **Dr. Ed** to be added to **Volunteers List**. +++

Meeting Minutes 1/21/2013

By: **Sharon and Pete Brown**

The meeting was held at the Walter Fuller Recreation Center and was called to order and began with the Pledge of Allegiance, led by **Dr. Ed Carlson**.

Officer John Phifer reported on an auto theft and burglary at the mall, three residential burglaries and two robberies. He reminded residents to not leave keys in cars and continue to be aware of their surroundings.

Elections of the 2013 officers was held, with **Dr. Carlson** remaining JTCA President, **John Sweeny**, VP, Treasurer, **Jill Silverstein**, **Sharon and Pete Brown**, joint Secretaries, **Bob Miller**, Newsletter and **Linda Mouriski**, Tech/Data. JTCA Board of Directors **Susan Buckley**, **Eileen Dardis**, **Roland Martens**, **Yaro Markewycz** and **Richard Meredith**.

Mac Tennant, from Access Reverse Mortgages, was the evening's speaker. He explained several ways that reverse mortgages could benefit people who are at least 62 years of age or older. Though reverse mortgages have, at times, gotten some negative press, Mr. Tennant was able to clear up and correct the misinformation as he answered questions and left follow up information for meeting

attendees.

The concrete base of the sculpture, "Entwined", has been installed and **Dr. Carlson** expects that the actual sculpture will be in place sometime in March.

Susan Buckley spoke about the JTCA annual Easter Egg hunt. It will be held on Saturday, March 30th at 9:30am for children "tots" through nine years old. Susan has asked for volunteers to help with the event. **Eileen Dardis** will get a permit and assist with arrangements.

JTCA has installed two more gardens near the baseball complex. **Roland Martens** discussed "Adopt a Mile" on the Pinellas Trail. **Dr. Carlson** felt that the Boy Scouts might help out. The question posed was, does JTCA want to commit to this project?

The city is getting more assertive in dealing with Snipe Signs that continue to pop up through the JTCA area.

Dr. Carlson presented the current status of the proposed bike path through Walter Fuller Park. Though the city and the association are still exchanging ideas, the current city plans are still unacceptable to the association. JTCA members at the meeting felt that even having a path that took up additional permeable green space, was unnecessary and not in line with the parks long term approved plan.

There was no old or new business. The meeting was adjourned at 8:15 pm. +++

Hello Neighbor,

Spring began with the Vernal Equinox on March 20th. Equinox, derived from Latin, means equal day and night. Many of us are still striving to adjust to the time change!

In the Housing Market, all things are not equal.

Money magazine's April 2013 edition boasts, "Housing is Back!" What does this mean? For Buyers, "For the first time in more than half a decade, the economics of the market are working against you... inventory is tight... bidding wars are back... to snag your dream home you" have to pay up and contend with strict loan requirements." For Sellers, "You have finally gained the upper hand. To the get your best price, though, you need to finesse your timing, list competitively, and match your market to local conditions. "

Housing is Back in Pinellas County. February 2013 closed sales in Pinellas County report a 17.9% increase year-over-year, while active inventories for the same time period are down 14.2%. Jungle Terrace results less impressive: closed sales have decreased by 41.6% (5 closed sales February 2013 v. 12 closed sales in February 2013) while the active inventories year-over-year remained the same (20 active listings).

How can Juggle Terrace adjust to the change? Spring is in the air. For every home I list, a very specific marketing plan is developed which will help you sell your home faster while getting the most for you largest investment. For every Buyer I work with, you will receive immediate notice of every listing that meets your wish list and you have my commitment to work diligently to get you a signed contract. Together, let's make **Housing is Back** the mantra in **Jungle Terrace**.

When you call, I answer!

Lyle Fowler looked into LIGHTS under Tyrone Overpass. Is a State Road – Lyle provided connection to person to contact.

Yaro Markewycz and **Dr. Ed** assisted **Principal Dr. Connie Kolosey**, teachers and students planting an inner courtyard **GARDEN** at Azalea Middle School. **New Bollards** replace old along 34th Ave and along 78th St. JTCA requested alternate bollards be omitted to lessen the sight-load. **Jim DeBee**, Parks Foreman, selected the best of the old ones and **Dr. Ed** moved 13 bollards to **Azalea Little League**. The storm drain crew used 8 bollards along the Little League driveway to prevent parking the grass.

Dr. Ed initiated negotiations with **Azalea Little League**, the City, and **St. Petersburg Baseball Commission** (leases Al Lang Field and the Walter Fuller Baseball Center) to transition the LL fields to SPBC. SPBC Director **George Strus** flew in from New Jersey for each of our two meetings. Dr. Ed hand-delivered two letters to the Mayor. **Steve Nadel**, SPBC Director, and **Dr. Ed** met for breakfast with

Mayor Foster to further move this along.

“Dolphins are so smart that within a few weeks of captivity, they can train people to stand on the very edge of the pool and throw them fish.”

Jungle Terrace Internet Discussion Group

If you have a computer and want to find out what is happening today in your area, [please sign up](#).

The Jungle Terrace Civic Association has an Internet Discussion Group on which you can catch up on the latest “JT Happenings”. This could range from requests for recipes, special events, lost pets, to crime prevention. Or if you need to request a resource to assist in your project.

To join the Jungle Terrace Discussion group, go to http://groups.Yahoo.com/groups/jungle_terrace or go to the Jungle Terrace web site at www.jungle-terrace.org for a link to the discussion list and how to join.
