Minutes of the January 17, 2005 Monthly Membership Meeting

•The January 17, 2005 meeting opened promptly at 7:00 pm with 36 people signed in. After the Pledge of Allegiance, President **Tom Killian** introduced the 2004 Board Members. The Secretary's report was accepted as was the treasurer's report.

Lyn Dexter - Secretary

•Our CPO, **Rich Hladik** then reported there were only three auto thefts in the area, one of which the keys were inside. Officer Hladik advised there is a citywide problem with people leaving their keys inside their cars. The SPPD recently recovered a car with stolen items inside, but that was on the NE side. There were also two thefts in the area, one at Play It Again, and the other at a storage facility. When asked about the sexual predator list that had been supplied at every meeting, Officer Hladik stated the department was regrouping and should be able to supply such information at future meetings.

•The first speakers were **Karen and Tom Gargiulo** from the National Income Tax and Accounting. They have been in the business for quite some time and have an office at 2952 66th Street North. They are both certified and feel they supply private and personal service for their clients. They advised they can represent you in front of the IRS and can file taxes electronically. Further, they offer other services such as CPA, payroll, planning as well as many others. They welcome the neighbors to take advantage of their services with weekend and nightly appointments available.

•Our next speaker was **Karl Nurse**, President of C.O.N.A. (Council Of Neighborhood Associations). Mr. Nurse stated that he wants CONA to take a proactive approach to issues rather than a reactive stance. Further, in an attempt to help the neighbors in St. Petersburg, CONA is going to hold a meeting on Wednesday to discuss what issues they should be addressing set an agenda then work towards resolving these issues after the priority is set. This meeting will be held at the Sunshine Center, which is located at 330 5th Street North from 7:00 pm until around 8:30 pm with refreshments. The results of this meeting will be announced in the newsletter to inform the neighborhoods and to allow interested parties to participate. Monitoring such issues will aid at election time so as to determine if the politicians are really concerned with neighborhood issues.

•Mr. Nurse advised the common issues that come up include Codes and the Police Department. He did advise that due to CONA's input, the Codes Department has undergone some changes and should be working more efficiently in the near future. Other issues will most likely involve Crime, Recycling, Nuisance Noise, Underground Utilities, as well as Zoning and Development.

•The next order of business was the 2005 board elections. The election committee consisted of **Steve Plice, Ed Carlson** and **Mary Scott**. This committee nominated the following candidates for the board: President, **Tom Killian**, Vice President, **Ron Russell**, Secretary, **Lyn Dexter**, Treasure, **Linda Mouriski**, Board Members; **Skip Mitchell, Larry Dosh** and **Bob Miller**. After this announcement, the committee offered to take nominations from the floor, however there were none. It was then moved by **Ed Carlson**, seconded, then a unanimous vote

The Evolution of Diagnostics

For the past 35 years, St. Petersburg General Hospital has pursued the latest in medical advances to improve and save lives. Our DISCOVERY LIGHT SPEED PET/CT SCANNER enables us to deliver a higher standard of care than ever before to the people of our region.

The dual-image system empowers physicians to detect, diagnose and treat cancer faster and more precisely for better outcomes. And that is good news for everybody. Ask your physician, or call us with questions about this new technology, now at St. Petersburg General Hospital. Our brochure will clearly explain the

benefits of this one-step PET/CT diagnostic system over its ancestors.
 >Fuses the finest of PET and CT scan technology

- >Diagnostic tests that previously took weeks can now take an hour or less
- >High-resolution images are electronically transferred to specialists for fast review and expert opinion
- >Elimination of multiple tests saves time and anxiety
- >Images mesh perfectly since patient remains in one position
- >Faster diagnosis and more precise treatment for better outcomes

January 2005 Meeting

Karen and Tom Gargiulo of National Income Tax & Accounting (*above*) spoke about income tax preparation, accounting for small businesses, Financial Services, and new tax laws at our January Meeting. Karen and Tom are supporters of the Jungle Terrace Civic Association. See their ad on page 4.

Karl Nurse, President of CONA (Council of Neighborhood

Associations) (*below*) also spoke at the meeting. Karl discussed CONA's vision for the future, successes, and disappointments.

Both presentations were very informative.

Elections were held for association officers. Picture and names are on the front page.

(Continued from page 2)
elected the nominees.

•**Tom Killian** then advised of the status of various ongoing projects. He advised of a meeting with **Lee Metzger** with Leisure Services regarding the skateboard park. A flyer was passed around showing the design of the park, which differed from the first park built at Fossil Park. Further, the hold up of construction is the moving of the BMX facility, which will begin after a big event scheduled for May. If the BMX is moved out by the end of May, the new park should be ready by the end of the year.

•**Tom Killian** then announced the scheduled events for 2005 including:

•February 14th and 28th Neighborhood cleanup, check the newsletter for a map of the neighborhood and the dates of the pick up.

•February 26th Neighborhood Garage Sale, contact **Brad Rice** for a table. This will take place outside the Walter Fuller Center in conjunction with the youth center. \$10 per table for non-members and \$5 for JTCA Members. SPPD representative to give away THE CLUB to the owners of certain types of vehicles.

•March 26th Easter Egg Hunt, this year the Azalea Neighborhood will be co-sponsoring this event. The Easter Bunny will be available for photos with the kids.

•April 18th Monthly meeting will be held at Sunken Gardens. **Mary Campbell** will be speaking after which we will be allowed to walk through the gardens. Any one requiring special assistance with transportation should contact a board member.

•April 23 and 24th Green Thumb Festival, JTCA will have a booth for which we will need volunteers to man.

•October 8th Pets in the Park, this year we will add a Blessing of the Animals by **Mary Beth Packard**.

•November 5th Neighborhood Picnic, this year will be held in conjunction with CONA and will be held at the Water Fuller. There will be food and Blue Grass Music.

•**Tom Killian** then took a minute to thank all those who volunteered their help with the events last year and commented that additional volunteers are needed for the upcoming events. He also advised of the monuments that are to be placed in the industrial park, which will be funded through a Grant from the City.

•**Ron Russell** then advised that if there were enough people interested, we could organize a trip to the Crime Lab facility. Please call a board member if interested.

•There were several questions from the attendees of the January meeting regarding the legality of scooters. Scooters (non-motorized) need to be registered and can only be on a private land. If ticketed, the fee is \$80 and the owner has to walk the scooter home if he/she gets a ticket. If motorized, a scooter must be licensed and must operate on the street, not on the sidewalk. However it is only required to have insurance if driver is not wearing a helmet.

•The meeting was adjourned at 8:31 pm

Grandma's Apron

The principle use of Grandma's apron was to protect the dress underneath, but along with that, it served as a holder for removing hot pans from the oven; it was wonderful for drying children's tears, and on occasion was even used for cleaning out dirty ears.

From the chicken-coop the apron was used for carrying eggs, fussy chicks, and sometimes half-hatched eggs to be finished in the warming oven.

When company came those old aprons were ideal hiding places for shy kids; and when the weather was cold, grandma wrapped it around her arms.

Those big old aprons wiped many a perspiring brow, bent over the hot wood stove. Chips and kindling-wood were brought into the kitchen in that apron.

From the garden it carried all sorts of vegetables. After the peas had been shelled it carried out the hulls.

In the fall it was used to bring in apples that had fallen from the trees.

When unexpected company drove up the road, it was surprising how much furniture that old apron could dust in a matter of seconds.

When dinner was ready, Grandma walked out on the porch and waved her apron, and the men knew it was time to come in from the fields for dinner.

It will be a long time before anyone invents something that will replace that old-time apron that served so many purposes.

When the driver of a huge trailer lost control of his rig, he plowed into an empty toll-booth and smashed it to pieces. He climbed down from the wreckage and within a matter of minutes, a truck pulled up and discharged a crew of workers.

The men picked up each broken piece of the former toll-booth and spread some kind of creamy substance on it. Then they began fitting the pieces together. In less than half an hour, they had the entire tollbooth reconstructed and looking good as new.

"Astonishing!" the truck driver said to the crew chief. "What was the white stuff you used to get all the pieces together?"

The crew chief said .. "Oh, that was tollgate booth paste."

Facade view of new proposed Lifestyle renovation.

TYRONE SQUARE ANNOUNCES NEW LIFESTYLE COMPONENT

Exterior Renovation Also Planned As Part Of Redevelopment -

ST. PETERSBURG, FL (January 12, 2005) – Simon Property Group, Inc. (NYSE:SPG), owner and manager of Tyrone Square, revealed its plans today for a multi-million dollar redevelopment project which will add a lifestyle component to the area between Sears and Burdines-Macy's. The project includes the addition of new stores and restaurants, as well as an exterior renovation that will create a brand new look and enhance the overall ambience of the shopping center.

Merchant relocations and demolition work has begun with major construction work to begin in February. New merchants will start reopening during the summer and throughout the fall, with the entire project scheduled to be completed for the 2005 Holiday Season.

"This project will give Tyrone Square, which will be 33 years old this year, a fresh new look and feel," said Jeni Wadlow, Director of Mall Marketing. "By bringing the best of both worlds together, the enclosed shopping center and the lifestyle center, Tyrone Square and Simon Property Group continue to deliver on our commitment to improve the quality of the shopping experience for our shoppers and community," Ms. Wad-

low added. She also noted that Tyrone Square would remain open for business during each phase of the redevelopment with no interruption to shoppers.

Shoppers can look forward to the addition of several new stores and quality restaurants to Tyrone Square and the St. Petersburg market. The new lifestyle area will include an extensive renovation to the exterior of the building to create a streetscape appearance, as well as an additional mall entrance. New exterior parking lot lighting, landscape islands, patio restaurant seating, up front parking spaces and a pedestrian walkway from Tyrone Boulevard are further enhancements which will update the center's appearance.

Tyrone Square, located at Tyrone Boulevard at 66th Street North and 22nd Avenue North is a super-regional center serving a substantial portion of the Tampa - St. Petersburg - Clearwater metro area. Tyrone Square opened in 1972, and is currently anchored by Burdines-Macy's, Dillard's, JCPenney and Sears and features more than 170 specialty retailers and eateries. Tyrone Square underwent a mallwide renovation in 1998. An eight-unit food court, Borders Books & Music and Tia's Tex-Mex Restaurant were added between 1998 – 2000.

“Neighborhood Cleanup Days”

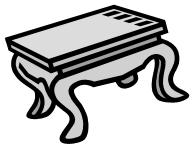

February 14th and **February 28th** are designated Neighborhood Cleanup Days in the Jungle Terrace Neighborhood. The City will provide trucks to pick up those hard to discard items like old furniture, appliances, carpeting, yard waste, limbs (up to 4 feet long), and junk from the garage. This is a free pickup.

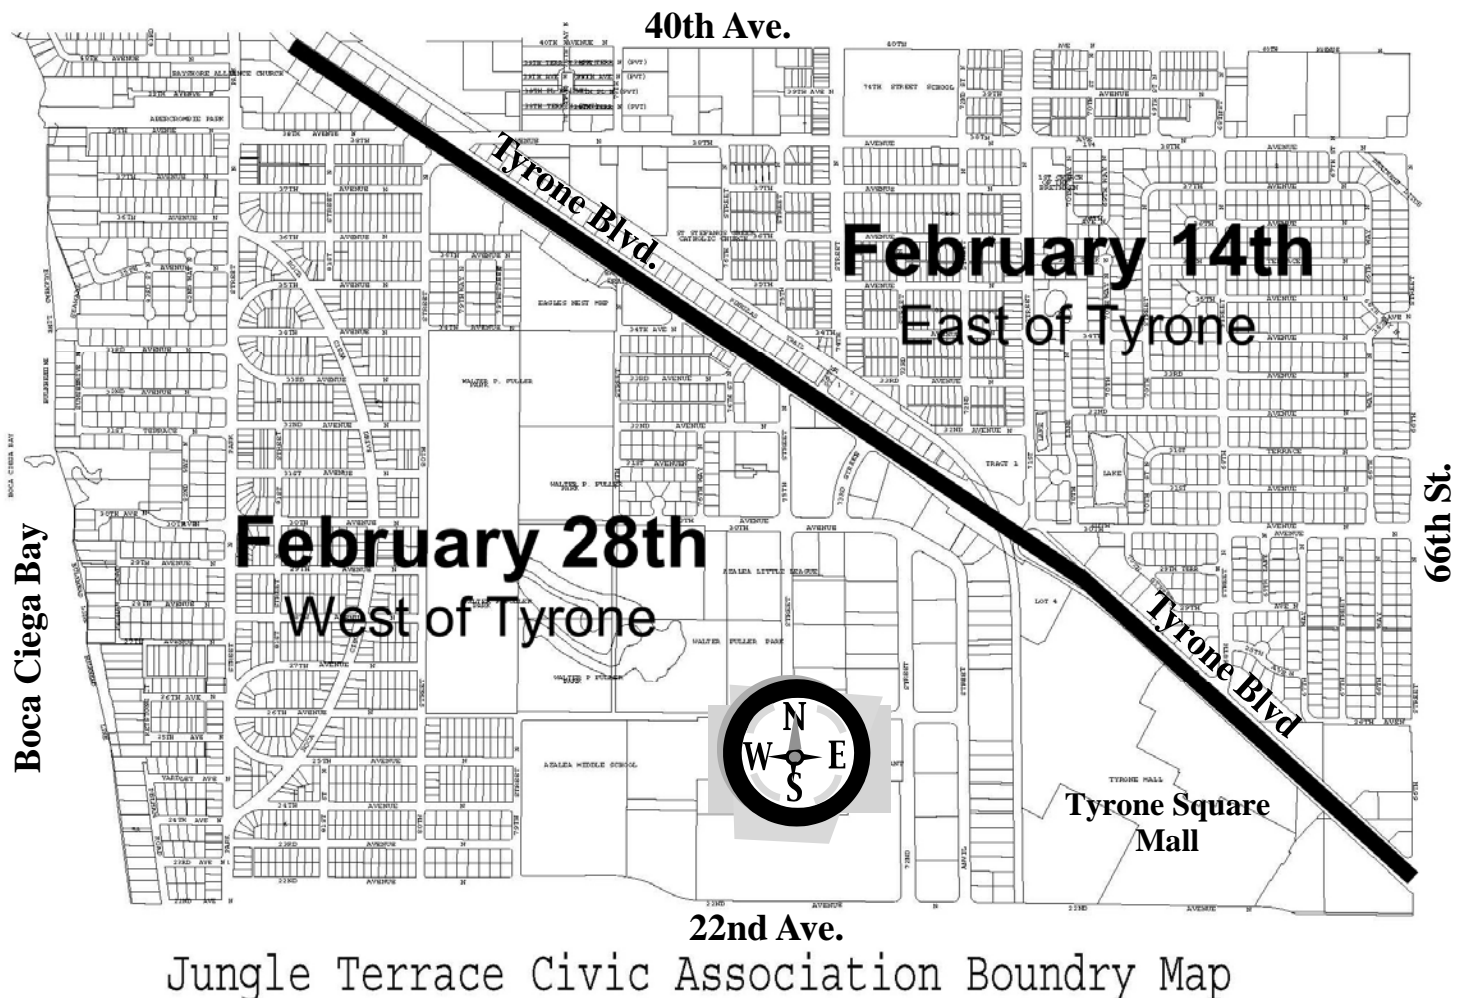

The cleanup will proceed as follows. For those residents on the East side of Tyrone Blvd, you must put your cleanup items **at your curb on February 14th at 7:00 am.** The city will provide trucks to pick up your items. If all the items can't be picked up on February 14th, pickup will continue on the day/s that follow until completed but the items must be put **at the curb on February 14th at 7:00 am.**

For those residents that live West of Tyrone Blvd, this process will start on **February 28th at 7:00 am.**

The City's Sanitation Department **WILL NOT** pick up hazardous wastes (paint, solvents, pesticides, etc), junk cars or building materials.

Greetings,

Did you know one of the most stressful aspects of modern life is dealing with the problems that arise after an automobile accident?

Were you also aware that some automobile accident injuries are often not detected for months or even longer?

As a result, a lot of accident victims settle their case with the insurance companies before being evaluated by a doctor trained in automobile accident injuries.

This could be a big mistake.

Why? Because once you settle your case you lose the right for compensated care if you need it.

A good rule of thumb is to determine your rights, and then to make a decision. There is no reason to rush; it can only hurt you.

It is our position that if you have indeed been injured in an automobile accident, you should get all the care necessary to get back to the way you felt and functioned just before the accident.

Bear in mind that it is not the responsibility of the insurance company to pay for anything more than a return to normal functionality. They are not responsible for pre-existing injuries, but only the injuries resulting from the accident.

Even if you experience only mild soreness, you should be evaluated immediately. It's possible you could experience problems directly caused by the accident - pain, numbness, headaches, muscle stiffness, fatigue, even arthritis - many months later.

Remember, **NOTHING** is more important than your health when you start to lose it.

February Home of the Month by Mary Scott

Neighborhood Pride doesn't go any deeper this month when talking with **Debby Dailey**. Beaming as she recounts the changes she & **Ken** have recently completed on their home of 18 years. They have truly brightened the face of the neighborhood that they love so much. Interior renovations adorn but it's the exterior that really catches one's eye as you drive by 2901 Park Street North. The bold new house color is complimented by lush landscape that includes green palms & colorful perennials. You're an inspiration to us all.

Congratulations and thank you Debby & Ken!

If you have, or know of a property that you would like to have nominated as Home of the Month, please call 384-1718.

While walking along the sidewalk in front of his church, our minister heard the intoning of a prayer that nearly made his collar wilt.

Apparently, his 5-year-old son and his playmates had found a dead robin. Feeling that proper burial should be performed, they had secured a small box and cotton batting, then dug a hole and made ready for the disposal of the deceased. The minister's son was chosen to say the appropriate prayer and with sonorous dignity intoned his version of what he thought his Father always said: "Glory be unto the Faaaather, and unto the Sonnn.. and into the hole he gooooes."
