Minutes of the November 21, 2005 Monthly Membership Meeting

Minutes for the Meeting held
at Gramley's Automotive
Provided By: Tom Killian

Tom Killian

President **Tom Killian** opened the meeting at 7:00PM.

Twenty Eight Jungle Terrace members attended our November 21, 2005 meeting held at Gramley's Automotive on Tyrone Blvd. Bill Gramley graciously offered his facility for our meeting and provided a wonderful buffet of sandwiches, fruits, vegetables and deserts. He kept a staff of Ten people to explain how they service automobiles and the services that they offer. When you bring your auto in for repairs you meet the mechanic who will be working on your vehicle. You deal directly with him and he will always work on you automobile when you need help. The mechanics explained the use of diagnostic equipment and how they use it to trouble shoot your auto's problems. They change the oil in your auto with a suction vacuum machine. This is a very efficient method and the drain plug never has to be removed. When filling your auto with gasoline they recommend never filling the tank past the first click. All members attending were given a free oil change certificate. Jungle Terrace thanks Gramley's for advertising in our newsletter and their hospitality. **(Picture are on Page 6 & 7)**

Treasurer report given by **Linda Mouriski** accepted as read.

Nominating Committee Chairperson **Steve Plice** read off a list of possible candidates running for office at our January meeting.

Also, CONA's First VP **Steve Plice** told our members that the Sembler Company wants to purchase two tracks of land on Park Street just north of the Sear's Scratch and Dent. Possibly to build a Publix, or something else.

The Evolution of Diagnostics

For the past 35 years, St. Petersburg General Hospital has pursued the latest in medical advances to improve and save lives. Our DISCOVERY LIGHT SPEED PET/CT SCANNER enables us to deliver a higher standard of care than ever before to the people of our region.

The dual-image system empowers physicians to detect, diagnose and treat cancer faster and more precisely for better outcomes. And that is good news for everybody. Ask your physician, or call us with questions about this new technology, now at St. Petersburg General Hospital. Our brochure will clearly explain the

benefits of this one-step PET/CT diagnostic system over its ancestors.
 >Fuses the finest of PET and CT scan technology

- >Diagnostic tests that previously took weeks can now take an hour or less
- >High-resolution images are electronically transferred to specialists for fast review and expert opinion
- >Elimination of multiple tests saves time and anxiety
- >Images mesh perfectly since patient remains in one position
- >Faster diagnosis and more precise treatment for better outcomes

Jungle Terrace and Council of Neighborhood Association's Neighborhood Picnic

By: Tom Killian

On Saturday November 5, 2005, the Jungle Terrace Civic Association in association with the Council of Neighborhood Associations sponsored "A Picnic and Raffle at Walter Fuller Park". We had over 200 people in attendance which included eight of the ten candidates who were running for city offices in the November 8th. election. Mountain Memories entertained the group for two hours with great Bluegrass Music. Our Raffle consisted of over 50 items. Jungle Terrace wishes to thank Albertson's and their manager Mark Pelham for supplying us with hamburgers and hot dogs which made our Picnic a success. JTCA also thanks, K.C. Jones of Realty Executives, who made a large cash donation to help us offset some of our costs. Public's, Kash-n-Karry, Winn Dixie and Save-A-Lot provided beverages. Athenian Garden, Carrabbas Italian Grill and Sam Seltzers Steak House provided us with tasty items. Some of our Raffle items donated: Art Stone-Bird Bath,

Vinoy Sunday Brunch Tickets, American Stage Tickets, 5 Prizes from Tyrone Square Mall donated by Mall Manager Lita Sargent, a Grill Set from Progress Energy, an Ice Cooler Mastry Engine, Portrait-Ava the Artist, Exams performed by Dr. Jeff Raheb, 7 Prizes donated by Ingrid Comberg. We thank them and the many other people who donated items, that made our raffle a success. I want to thank Richard Meredith from Jungle Terrace and Casimiro Rael Sr. (from the North Kenwood Association) for doing the cooking. Many thanks also to the following people who helped set up the Picnic. Yusuf Saeed, Stan Lenas, Steve Zachem, Linda Mouriski, Paul Mouriski, Lyn Dexter, Ron Russell, Linda Sessions, Skip Mitchell, Yaro Markewycz, Bob Miller. Thank you all for making our joint venture a success.

“Neighborhood Cleanup Days”

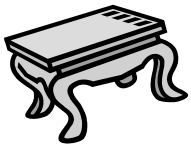

February 6th and **February 27th** are designated Neighborhood Cleanup Days in the Jungle Terrace Neighborhood. The City will provide trucks to pick up those hard to discard items like old furniture, appliances, carpeting, yard waste, limbs (up to 4 feet long), and junk from the garage. This is a free pickup.

The cleanup will proceed as follows. For those residents on the **East** side of Tyrone Blvd, you must put your cleanup items **at your curb on February 6th at 7:00 am.**

If all the items can't be picked up on February 6th, pickup will continue on the day(s) that follow until completed, but the items must be put **at the curb on February 6th at 7:00 am**, for this to continue.

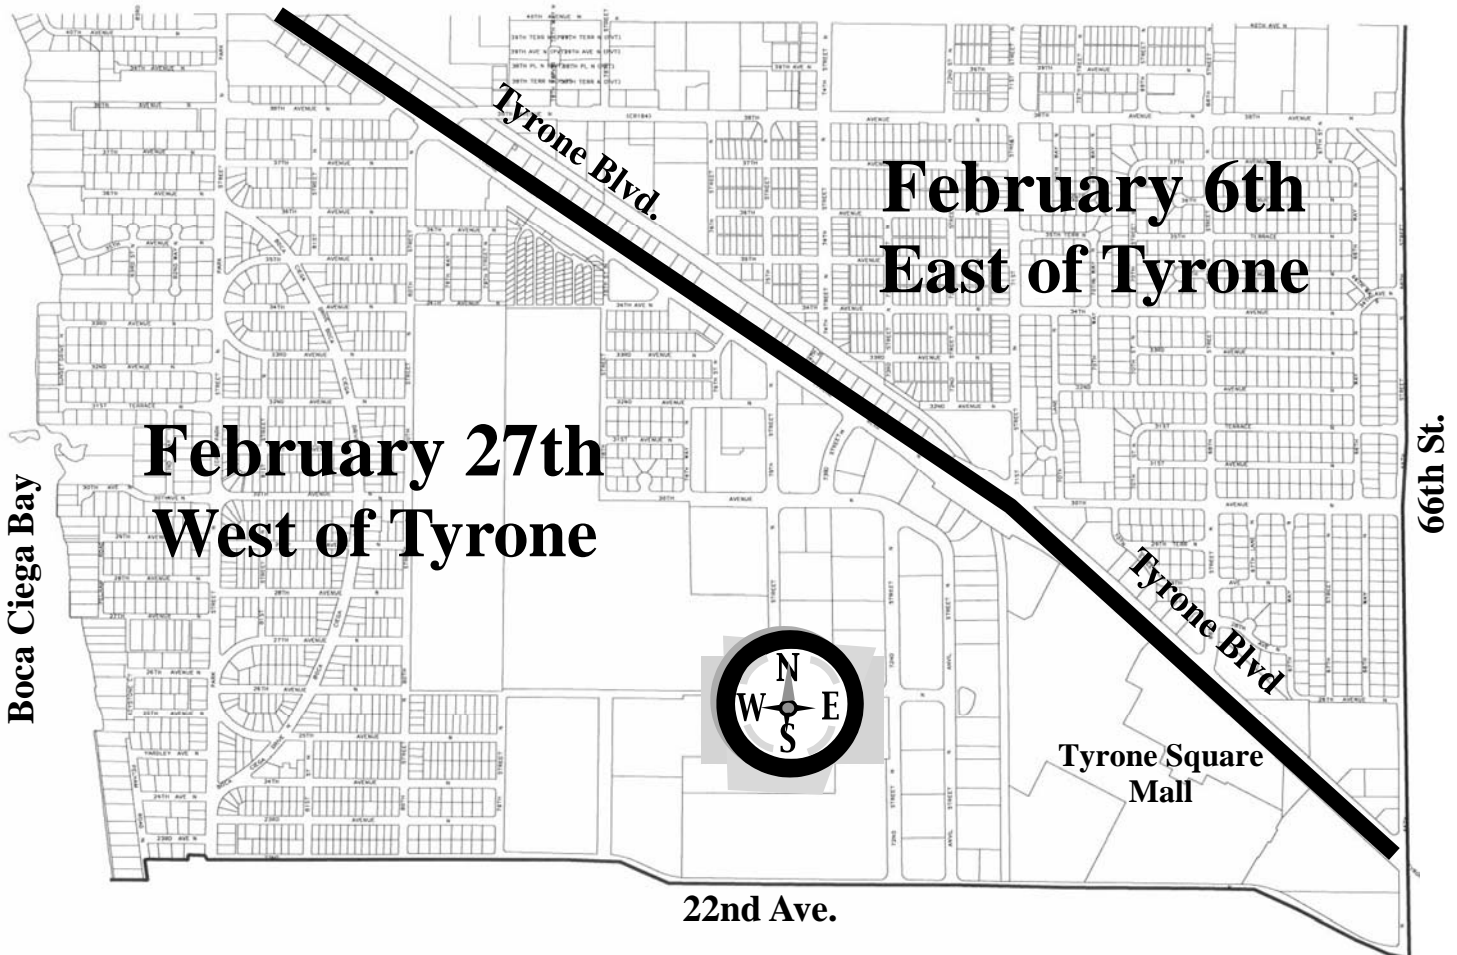

For those residents that live **West** of Tyrone Blvd, this process will start on **February 27th at 7:00 am.**

The City's Sanitation Department **WILL NOT** pick up hazardous wastes (paint, solvents, pesticides, etc), junk cars or building materials.

NEW FEE CLASS - TENNIS

Walter Fuller Recreation Center is proud to announce that tennis lessons are now available for children and teens. The instructor is Eric Chall, who comes to us with an excellent track record and will make the lessons a great experience for your child or teen. Beginners classes will be held on Mondays, Wednesdays and Fridays from 4:30pm to 5:30pm. You can sign up for one class a week, which would cost \$10 per session, or attend all three classes, which would cost \$9 per session. More advanced classes are also offered during the week on either Mondays & Wednesdays from 5:30pm to 7:00pm or Tuesdays & Thursdays from 4:00pm to 5:30pm. If you are interested in signing up please come to the center office and we will be happy to get you registered and answer any questions you may have. You can reach the office at 893-7443.

A NEW FRONT ENTRANCE

Soon the center will have a new look to the front entrance. Construction is set to begin on replacing the three front doors that are currently in place and installing a more functional double door entrance way. The construction should only take a week to complete, so during that time we will be using the doors on the west side of our building as our temporary entrance. We apologize for any inconvenience but we believe everyone will be very pleased with the final results.

good spray program must begin at the time of flowering, which is usually in December; there are several fungicides that will control both diseases. Apply neutral copper on a weekly basis at the first appearance of the bloom panicle, continuing until all of the fruit have set. After this, spray monthly until harvest. Use a spreader sicker for a more thorough coverage.

2. The peach tree on our home ground have a gummy substance oozing from the bark. Most of the sticky gum is near the base of the tree, only one or two places occur up on the limbs. Is this a serious problem?

Peach tree are attacked by an insect called the tree borer and in all probability, this is the culprit causing the oozing jelly from your tree. The bores are very difficult to control, I would recommend calling a Professional Pest Control Company.

This Months Gardening Tips

by Dean Miner, President Floridian Pest & Turf
January 2006 (see ad at right)

WATER:

This month can be a dry month. Water your lawn at least once a week and give your shrubs a good soaking too. It 's better to soak the lawn/shrubs once a week, rather than frequent light waterings. For an average lawn, 3/4" to 1" of water/zone is adequate if soil is not bone dry.

RYE GRASS:

It should be fertilized this month; fertilizing also helps your permanent lawn. Bacteria are dormant during the winter months. Use a 16-4-8 in chemical form for best results because organic forms of nitrogen will not be broken down for plant usage by the dormant bacteria.

SHADE TREES:

Most are dormant this month. An excellent time to plant or transplant trees. Golden rain tree, Chinese tallow, sweet gum, red bud, dogwood and some oaks are completely void of leaves. The air is generally cooler than the soil and new roots will be initiated quickly, thus giving the tree a better chance of survival.

GLADIOLUS:

This versatile bulb (corm) can be planted every two weeks for a succession of flowers throughout the spring and early summer months.

BIRD OF PARADISE:

This marvelous plant can bloom throughout the year. The plant does require extra potash to bloom profusely. There are 2 scale insects that attack the leaves of the plant. Malathion will usually take care of the scale if two or more applications are made at fifteen day intervals.

ROSES:

Have lots of roses? Prune now and spray with rose fungicide.

CAMELLIAS:

A month of heavy bloom and continue depending on the variety for at least a couple of months. Check for tea scale (white growth that develops) on the underside of the leaf. Use Cygon for best control, 2 or 3 application may be necessary. *READ DIRECTIONS ON THE BOTTLE.*

TREE PRUNING:

Most trees are dormant, it is a good time to remove weak and dead limbs. Oaks with mistletoes, cut the limb where the parasite is growing.

COMPOSTE:

Recycle Christmas tree. It is better to cut them up and place them in the compost bin. The needles are full of trace elements and high in acid.

VEGETABLES:

Cabbage, Broccoli, Collards; planted now. Cover in real cold weather.

AZALEAS

Look out for Leaf Spot fungi (small brown spot) at this time of year. Leaves, not infected with the disease, can be protected by an application of a fungicide like Dithane M-45.

QUESTION & ANSWER

1. Last year our mango produced a lot of fruit. Unfortunately, it was not perfect because it had large black spots all over the fruit. What is our problem and can it be prevented?

Mangos are frequently attacked by one of two diseases—scab or anthracnose. Both diseases can attack all parts of the plant, leaves, flowers and fruit. In order to prevent the problem, a

TYRONE SQUARE REDEVELOPEMENT UPDATE

Two Leading Fashion Retailers to Locate in New Lifestyle Area

ST. PETERSBURG, FL (November 2005) – Two exciting fashion-forward retailers, J. Jill and Jos. A. Bank, are coming to Tyrone Square’s new lifestyle area. Both J. Jill (Nov 22nd) and Jos. A. Bank (Dec 3rd) will be open for the upcoming holiday season announced Simon Property Group, Inc. (NYSE:SPG), the owner and manager of Tyrone Square.

J. Jill will occupy nearly 3,600 square feet at Tyrone Square. The J. Jill Group is a multi-channel specialty retailer of women’s apparel, including accessories and footwear. The company currently markets its products through its retail stores, catalogs and website www.jjill.com. J. Jill is designed to appeal to active, affluent women age 35 and older.

Jos. A. Bank will occupy over 3,800 square feet in its new space at Tyrone Square. **Jos. A. Bank Clothiers, Inc.**, established in 1905, is one of the nation’s leading retailers of men’s classically-styled tailored and casual clothing, sportswear, footwear and accessories. The Company sells its full product line through 307 stores in 39 states and the District of Columbia, a nationwide catalog, and an e-commerce website that can be accessed at www.josbank.com. The Company is headquartered in Hampstead, MD, and its common stock is listed on the NASDAQ National Market under the symbol "JOSB."

“Both men and women will have great new places to shop at Tyrone Square,” said Jeni Wilson, director of mall marketing. “This announcement continues the positive leasing momentum that has been generated by our new lifestyle space.” Wilson added that two new restaurants, **Bonefish Grill** and **Lee Roy Selmon’s**, are scheduled to open in the lifestyle component in late-January.

Simon Property Group, Inc. information is available at www.simon.com. Jeni Wilson, Tyrone Square: (727) 345-0126

For your shopping convenience Tyrone Square is open Monday - Saturday 10:00 AM - 9:00 PM and Sunday 11:00 AM - 7:00 PM. Until next time...Happy Shopping!

Johnny Leverock's St. Pete Beach

We would like to thank the local community for 20 years of support at this location.

We are still serving all of the great recipes that the Leverock Family taught us in 1980.

We have stuck with the basic principles that Johnny Leverock had in 1948.

- Fresh Local Fish • Famous Clam Chowder •
 - Delicious homemade Pies •
- like our Peanut Butter or Key Lime Pies all made right in our kitchen.*

Sincerely,
George Lewis, John Stross & Vanessa Parnell

The Specialist

"SPECIALIST"

Someone who knows more and more about less and less until he knows everything about nothing at all.

The heart slows down, luckily before it completely breaks down. You call a heart specialist. The specialist, who does not see one organ as part of a whole, does blood test, Ultrasound, EKG, and a host of other tests. He then repeats all of the tests. He arrives at some diagnostic conclusion. He suggests complete rest and begins to inject or have you swallow that which will force heart action to speed up or slow down to where he thinks it should be. After a long time and little results, you are off to more specialists and then to research hospitals, where they continue to put bits of your heart under microscopes hoping to find a cure; never admitting failure. These ENDLESS AND EXHAUSTLESS exhibitions of helplessness never get you anywhere. You hope that HE does know and hope SOME DAY to find the solution for what is going haywire in your heart.

Wanting to live, you hear something about CHIROPRACTIC and a Chiropractor. Perhaps you sneak to his door, not wanting to tell your spouse or medical doctor that you are going to a back doctor for your heart condition. He explains that the heart is a pump; that WITHOUT ENERGY AND FLOW OF GOD-GIVEN NERVE FORCE THERE CAN BE NO NORMAL MOTION, any more then there can be light in your house without electricity.

...AND THAT treating the heart without first restoring proper nerve supply would be like changing the light bulb without first turning on the switch!

The CHIROPRACTOR then makes adjustments, removes interference, and the heart begins pumping NORMALLY again.

..."It takes 125 years to get one new idea through "1/4 of skull"

Reputation is what people think of us. Character is what God knows about us.

January Home of the Month by Mary Scott

No one knows this home or neighborhood in the unique way like Mike Bristol. His home on beautiful Lake Teresa was his childhood home back in 1962. Five years ago Mike purchased the home for his own family. Mike and his wife, Shelly and their two children have recently completed a full re-design of the home at 7020 32nd Avenue North. They transformed the exterior into a Bungalow, Contemporary, Craftsman blend. It's fabulous. Welcome back to the neighborhood and enjoy your home

If you have, or know of a property that you would like to have nominated as Home of the Month, please call 384-1718.
