- Skip Mitchell** our Treasurer read the Treasurers report. Approved as read.
- Officer **Rich Hladik** could not attend this evening due to the city scheduling him to work downtown. He reported by phone that all was quiet and that the sofa that transients were using behind Pep Boys has been removed.
- Scott Hartzell** St. Petersburg Times correspondent and author of St. Petersburg An Oral History was our guest speaker. Scott gave a very informative 35 minute presentation on our cities history. He told of the early days of the railroad and how the city was named. The Jungle area played a very prominent part in our city's history. The first nightclub in Florida the Gangplank was built by Walter Fuller in the mid 20's. The remains of the gangplank with the first Terrazzo floor in Florida is located west of Saffrons Restaurant near the water. We thanked Scott for his presentation and awarded him a framed newsletter. He signed autographed copies of his book after the meeting.
- Jungle Terrace member **Larry Dosh** spoke on petitions to effect or change laws in Florida. The three petitions were: 1-Homestead Exemption increase to \$50, 000.00 from \$25,000.00 currently. 2-Sales Tax Reform, review current exemptions and look at others that are not taxed. 3-Redistricting of Political boundaries. Happy Father's Day

In the late 1800's, a baby girl, Sonora Smart, was born. Unfortunately, her mother died giving birth to her. The usual practice was to send such a child off to relatives who would care for her. But Sonora's father, William, chose to keep her close to home, raising the little girl along with her five siblings alone on a farm in eastern Washington.

Sonora grew up and married, becoming Sonora Smart Dodd. One day in 1909, she was sitting in church listening to a Mother's Day sermon. Thinking that her father deserved the same recognition as any mother did, she began an effort to designate a special day for fathers. The first Father's Day observance was held the following year in Spokane, Washington. She chose the month of June, the month of her father's birthday.

Within 15 years, this custom had spread across the country. In 1924, Calvin Coolidge issued the first presidential proclamation in support of Father's Day. President Richard Nixon made it a permanent designation in 1972. The third Sunday in June has become a National Day of Observance in honor of fathers everywhere. One woman's love for her father has inspired millions to honor their fathers as well.

New Sidewalk in Jungle Terrace

By: Tom Killian

The city has installed a new sidewalk which connects our Science Center with Raytheon along 22nd. Avenue North. The new sidewalk provides our children and residents with a safe and direct route to Tyrone Square Mall. They have also planted 40 Live Oak trees along both sides of 22nd. Avenue North. When the trees mature the whole look of the street will improve. We thank the city for answering our request for the new sidewalk and trees.
