NSSP Air Force + Eyes in the Sky

Surveillance Planes and Cameras in Walter Fuller Park!

NSSP Air Force pilots Dave and Eugene fly two video camera equipped airplanes by remote control with computers recording the flights.

They both have enthusiastically joined our NSSP TEAM to provide a new branch – NSSP Air Force + Park Surveillance. “This is just like being a

bird,” says Dave. They are providing surveillance over WFP. The Remote Control Aircraft group flies every day the weather is good, and planning a “Fly-In” event.

More surveillance cameras were recently added in Walter Fuller Park.

NSSP Scouts supplemented Azalea Middle School staff and Resource Officer the last several weeks of school by being present in mornings and afternoons on bikes and riding to mall and in neighborhoods.

Time and Dollars ~ Volunteer for JTCA

JTCA's Summer Donation Drive is in full swing. Our new Volunteer Coordinator is Jill Silverstein, jsilverstein2@tampabay.rr.com, 289-3004.

JTCA's robust community outreach programs require continuous flow of Volunteer TIME and CASH. Please donate one or both!

JTCA purchased 4 Boulders in Walter Fuller Park, the Bronze Swim time Boy Statue, 4 Surveillance Cameras, Plants and Upkeep for the Volunteers Garden, Electric Bike for NSSP + cards and shirts, hired day labor for Park and Pinellas Trail cleanups, hired professional tree crew to clean up Stonehenge Park under Tyrone Overpass, spent hundreds of dollars for the Easter Egg Hunt, and a plethora of other valuable neighborhood positive actions. Winning the first Mayor's Neighborhood Recognition Award, 6,000+ Volunteer hours were submitted.

PLEASE donate TIME or DOLLARS to keep Jungle Terrace MAGNIFICENT! Call, Email or mail Jill a check, 8045 28th Ave. No, SP 33710.

Take a tax deduction.

Or www.Jungle-Terrace.org and click "Donate" to use your credit/debit card.

Thank YOU for your gift to keep our neighborhood healthy and solid as a rock.

President's Message

Art Grant contract signed with the City. Art Committee appointed Gift Review Committee. Slowly we plod positively through the bureaucracy for \$25,000.

Easter Egg Hunt was a HUGE success for 300+ kids and adults! Thank you for terrific leadership and many hours: Board Members **Susan Buckley**, Chair and **Eileen Dardis!!** We thrilled to 100 feet tall fire truck ladder, DJ music, new signs, bicycles and prizes, and 3,000 eggs with gifts. **Azalea Youth Soccer, Azalea Little League, and Park Street Baptist Church** joined us as SPONSORS.

Green Thumb Festival exceeded 40,000 people. **Treasurer Jill Silverstein** created the Jungle Terrace Booth and organized volunteers.

Thank you Board Members **Yaro Markewycz** and **John Sweeny** for diligently watering wildlife-food berry bushes 2-3 times a week on the South Island, Ed on the North Island, until the rainy season began! John writes, "It's a pleasure

Dr. Ed Carlson
JTCA President

to be out on the "island" in the early morning. The rabbit population is definitely up!"

Newly paved Park Street was painted with NO turning lanes. JTCA Board Member **Roland Martens** led the charge to correct this. In 45 days, the serious problem was corrected.

Thank you **Councilman Gerdes** for 20 tickets to see the Rays – shared with Board Members, Members, families and two other organizations.

At request of **City Parks & Recreation**, JTCA wrote a support letter for \$50,000 grant to develop an "Indian Mound Master Plan" from the State Division of Historic Resources.

Tom Killian, Ed Carlson and **Tyrone Square Mall Manager Jeni Willson** enjoyed a very fruitful meeting. Security will remove Snipe Signs daily. Street-sweeper will make a sweep in outer parking lot. Empty landscape islands will be filled with mulch. Plans for the MOVIE THEATER and two restaurants near the overpass were

revisited with the City. The Mall is onboard with JTCA to pursue a BRIDGE across the Trail ditch . . . 10 years in the making.

"Stonehenge Park" (under Tyrone Overpass) was purified by removing invasive trees, trimming 30 palms & holly tree. I filled an extra-large contractor's bag with archeological remnants of past resident(s) beneath the bridge. Donors provided \$750 for this project. **Tyrone Overpass** medians (on top): City removed brush/litter, killed weeds, then mulched down to safe mower area. Thank you **Mike Vineyard!**

Entire Tyrone Industrial Park: Scott and **Ed** removed all invasives and growth that "volunteered" around power poles. Enjoy a drive on Anvil and on 72nd Street.

"No Parking on Right of Way" signs placed across from South Soccer Fields 75th- 78th Streets.

2449 Anvil St. CODES issue: 18 months of no action was documented to Mayor Foster in meeting with **Dr. Ed**. Still NO Results. **John Sweeny** asked **Mike Deeson**, TV 10 investigative reporter for help.

MEETING MINUTES Monday, April 16, 2012

Dr. Ed Carlson called the meeting to order at 7 p.m. and lead us in the Pledge of Allegiance to our Flag.

SPPD Office Detty reviewed recent neighborhood crimes and reminded everyone to call the police non-emergency number, 893-7780, to report suspicious activity in our neighborhood.

The guest speaker at this meeting was St Petersburg Fire Department's

Eileen Dardis
Secretary

Fire Fighter / Paramedic Julie Groves. Paramedic Groves addressed the assembly about Cardiopulmonary Resuscitation (CPR) and Automated External Defibrillators (AEDs) and the need for people to be trained to perform CPR and also not to be afraid to use the defibrillators. St Petersburg Fire and Rescue offers a basic CPR class taught in the evenings several times a

month. A course on the use of an AED is also taught along with the CPR class. For more information and to enroll right over the phone, please call the CPR and First Aid Hotline at: 892-LIFE (727-892-5433). Please visit the St Petersburg Fire and Rescue section of the City's website for more information: stpete.org/fire.

JTCA Annual Easter Egg Hunt was a great success, thanks and praise was given to Susan Buckley for chairing the event and to all of her assistants.

The meeting adjourned at 8:30 p.m.

PINELLAS TRAIL "PARK"

The three-year project rehabilitating the Pinellas Trail has been completed. Two grants, three professional Tree companies, multiple donations, Code Enforcement, Graffiti Removal, City, County, and MANY Volunteers helped create a park-like, esthetic, safe and functional mile segment of the Trail from 22nd Avenue to the Tyrone Overpass.

Functional Ditch

"Stonehenge Park" is beneath the Overpass, named by John Prokop because the sun sets between the pillars on March 30th shining straight down 30th Avenue.

Over 125 invasive trees and palms blocking the ditch were removed. 170 palm trees never-trimmed-before were trimmed, 155 Red Cedars were trimmed. Invasive vines, grasses and brush were sprayed out to keep the Trail easily maintainable by mowing.

The Trail has truly become a "Linear Park."

We Have Buyers!

And Not Enough Homes Available on the Market

Housing inventory in St. Petersburg is down and prices are on the rise. Sales are up almost 32% this year and March of 2012 was the first time since the Pinellas Realtor Organization has been keeping sales records that there is less than one home for sale per home buyer.

Jim & his family have been St. Petersburg residents since 1969, in and near the Jungle area for over 20 years. Our team of Real Estate Professionals brings a "back to basics" approach to addressing the details of your dreams, concerns and issues when buying or selling a home.
