TOURISM - Our #1 Industry

National Tourism Week is the second week in May each year.

Regardless of developers and growth advocates, we have a stable mature economy. Be sure our county and city leaders keep this in the forefront of their actions.

- Tourism is our #1 industry, billions of dollars for city and county.
- Tourism is our #1 Employer, more than 52,000 Pinellas residents.
- Tourism is the #1 reason Florida residents do not pay Income Tax!
- 2010 more than 5 million overnight visitors stayed in Pinellas County and spent over \$3.2 BILLION.
- Direct/indirect expenditures of visitors were more than \$6 Billion.
- Visitors generate over \$1.6 Billion in wages for tourism employees.

Mark Cornish, St. Pete Area Chamber of Commerce

St. Pete Banker Shoots at Home Invader

St. Petersburg - RETIRED BANKER Hall Palmer heard a noise and got up to investigate. The 70-yr-old was faced with a man dressed in all black and armed with a pistol. The suspect ordered Palmer to sit on the bed. He wanted the PIN for a bank card he had found downstairs.

Palmer said the card was expired, but he could give him some money. The man bound Palmer's hands with twine, led him downstairs and found his billfold. He then bound Palmer's feet, gagged his mouth, and went outside.

However, he underestimated his victim. Palmer wiggled free and retrieved his late father's .38-cal. Colt Army Special revolver. When the thief returned, Palmer fired a shot, causing him to flee. The thief had been carrying a pillow; Palmer wonders if it was intended to muffle the sound of his execution. (*St. Petersburg Times*, 01/20/11)

President's Message

Parks CleanUP: Roland Martens the Abercrombie Park team, **Tom Killian** led the Pinellas Trail team, and **Dr. Ed Carlson** led a large group in Walter Fuller Park, creating 47 large brush piles the City cleaned away, in addition bags and bags of trash picked up. City Staff led by Jim DeBee plus Wes and Patrick utilized 2 mules to assist us and a boat to clean the lake. Dr. Ed led **Valley Crest** crew of 5 removing 87 palm trees, trimming 30, and leaving over 100 palm trees on the Pinellas Trail from 22nd Ave N to Tyrone Blvd. overpass. Thanks to the **City** for letting us use the Brush Site to offload the cut trees. JTCA provided over 305 Volunteer hours on our Tampa Bay Estuary Program grant.

Dr. Ed Carlson
JTCA President

City and County crews are spraying vines and invasive plants as they re-emerge. **Monica Abbott** 4/14/11 went by the Pinellas Trail by 22nd Ave and Mall. County crews were spraying along the trail. In May, **Eileen Dardis and Dr. Ed** invested time on the Trail detail spraying vines and invasives that were missed or grew after the county crew.

Monica Abbott writes, "I drove the outer lane of the Tyrone Mall and have to say again ...the CleanUP is amazing. I could see people walking on the trail and it was so clean. It is wonderful to be on 22nd Ave and be able to see approaching foot or bike traffic and not just be shocked to alert with the flashing lights. Thank you so much for this. What an on-going pleasure and improvement!"

Mr. Bill Bilodeau, past President of the **Native Plant Society** experienced Jungle Lake for the first time. Bill thrilled to the diversity of native plant life. "This deserves a photo essay!" Bill led a plant identification walk for the JTCA Board. He developed a list of 5 native plants we can plant on the fin-

gers and around the lake for wildlife and flowery show. Then Bill came to WF Center to play Pickleball.

Dr. Ed had breakfast with **Mayor Bill Foster** and asked "What can Jungle Terrace do for you, Mayor?" Our surprised Mayor discussed 3 major issues on his mind – including lighting one Naimoli field, and a dormitory.

St. Pete Baseball Commission is doing a better job using the 91 street parking places and keeping vehicles out of the park, after several interventions by JTCA with the City.

Professional teams from Korea, Canada, Denmark, and Australia have played at Naimoli Complex. Italy and Jamaica are eager to come.

The Family of St. Petersburg Police Officer Dave Crawford, murdered by a teenager, received a letter from JTCA expressing our neighborhood's APPRECIATION and VALUE of Officer Crawford as Dad, Family Member and Peace Officer.

Strom Drain construction has successfully crossed Park Street and will continue along 28th Avenue into Walter Fuller Park to Jungle Lake. After connecting to 28th Avenue, the contractor expects to go back to finish up paving on 27th Avenue.

A Word From Herb Polson

Hello Neighbors!

It is once again my pleasure to write an article for your newsletter. I have enjoyed the opportunity in the past to submit some comments and I hope you have found them to be worthwhile to read.

The City of St. Petersburg is expecting a reduction in our next year's budget of approximately \$12 million dollars. This will be our fifth year in a row of declining property values. How do we get there and what will be reduced and/or cut from our current budget in order to balance next year's budget is the question at hand.

We have scheduled three Budget Summits in order to hear from the public. Two have already been held on April 27 th and May 18th . The final Summit will be held on June 22nd at Lake Vista Recreation Center, 1401 62nd Avenue South at 6:00pm. I would urge all citizens to try to make the last meeting and tell City Council and Mayor Foster what you believe we

should do in order to balance our budget. Believe me, we listen!

As some of you may know, I have announced that I will not be seeking re-election in the November elections for City Council. I have proudly served my community for the past 35 years in a variety of positions, but none more satisfying than being the City Council member for District 1 for the past 5 years.

Let me assure you that I am not leaving the area and that I will not cease to involve myself in the activities of this wonderful community we call home.

If anyone has a concern that they wish to speak to me about, please do not hesitate to contact me at my City Hall office – 893-7004.

Thank You for allowing me to serve you.

 Council Member, District 1
