

# *Pinellas Trail - Before and After*

By Bob Miller  
Jungle Terrace  
Neighborhood  
Association

These are some pictures to give you an idea about the progress that is being made on the Pinellas Trail cleanup. The job is not done but there has been a great deal of progress. They are still working on it and I will update the pictures as progress is made. I tried to take each before and after photo from the same place and perspective.
