

Jungle Terrace and CONA 2006 Annual Picnic

Although Rain was forecast early in the day, the weather turned out great for the JTCA - CONA annual picnic. Here we see neighbors buying raffle tickets for the many nice prizes donated by businesses in the area.

Live entertainment was provided by "Bluegrass Southern Style", a local bluegrass band that included **Lance Lubin**, President of Eagle Crest Neighborhood Association (Mandolin and Bald...<grin>...), **Warren Ankerberg** - Bass, **Charlie Hamrick** - Banjo, and **Dennis Wallace** - Guitar (resident of Jungle Terrace). Great job guys!

We had a good turnout in spite of so many other events going on this day. John's Pass Seafood Festival, Heritage Village Folk Festival, just to name a couple.

Jungle Terrace Neighborhood President **Steve Zachem**, (right) cooks burgers and dogs.

Also cooking is **Cass Rael**, North Kenwood Vice President. (below)

Let the food line begin!

Sam Seltzer's Steakhouse was one of many sponsors present.
