# Bicycle Deaths TRIPLE in 2019

## Pedestrian Deaths DOUBLE in St. Pete

SPPD stats

Jungle Terrace is advocating for "SAFE City" beyond Complete Streets.

*New design guidelines: American Society of Landscape Architects*  
<https://www.curbed.com/2019/8/28/20835301/universal-streets-accessible-street-design>

Much better than "Bike Lane" stripe on 55 mph (70 actual) Gandy Blvd. with a "Bike PATH/Comprehensive Path" a safe distance off the road . . . or SHARROWS on 45mph (60mph) Ulmerton Road. (State law, can ticket for going too slow). Just so can be said: "We have "X" miles of "bike lanes."

### "Comprehensive Boulevard Sidewalks"

serve everyone, create community, and include bicyclists.

Like the graphic, a BIKE PATH is separated SAFELY from the traffic.

We can "Do This Right!" We can create a "SAFE City" with **responsible** Pedestrians, Bicyclists, and Drivers.

**DEEP in the DITCH!**

**7 Bags of Trash + Crate**

**Cleaned up from 8 palms removed**

## Nutrient Separating Baffle Box with Up Flow Filter (UFF)

The **NSBB** contains sediment collection chambers, a biomass separating screen system, and a skimmer. The **UFF** contains Bold & Gold, a **biosorption** activated media to further reduce nutrients, total suspended solids, and pathogens entering the lake from 75 acres surrounding.

The NSSB collects c. 32,000 pounds of suspended solids (trash), 190 pounds of total nitrogen, and 16 pounds of total phosphorus each year.

For "Cleanest Lake in the State," outfall to Boca Ciega Bay, Jungle Terrace is seeking two more Baffle Boxes: 1. 26<sup>th</sup> Ave Ditch, and 2. Dog Park outfall.

### ***StPete2050 Visioning Process***

StPete2050 is an inclusive, city-wide discussion about what St. Petersburg will look like 30 years from now. Our objective is to provide the residents of St. Petersburg with the opportunity to lend their input on the city's future through various engagement events.

The 12-month visioning process launches with a Community Workshop Event where we will reflect on Vision 2020 and discuss the potential of the city's future.

For future emails and to provide us with your ideas, visit us at [StPete2050.com](http://StPete2050.com)

***"St. Petersburg will be a city of opportunity where the sun shines on all who come to live, work and play. We will be an innovative, creative and competitive community that honors our past while pursuing our future."***

## First Airline Monument Ground Breaking

St. Petersburg Mayor, First Airline Monument Board members, and special guests broke ground for the First Airline Monument celebrating the world's first regularly scheduled airline, that embarked from the Central Yacht Basin and traveled to Tampa. It will be located on the south side of the Pier Approach.

# Keeping St. Pete Clean

## Keep Pinellas Beautiful (KPB) does Downtown St. Pete

Keep Pinellas Beautiful partnered with the **James Museum** to coordinate our first mural walk & trash cleanup in Downtown St Pete. Over 20 volunteers from the museum and their Publix partners picked up trash left on the streets while enjoying beautiful murals that decorate St Pete. When the 2 mile walk ended, the volunteers had collected over **110 pounds of trash**.

Jungle Terrace Treasurer **JILL SILVERSTEIN** donated 40 handmade purses for Volunteers to the James Museum and Keep Pinellas Beautiful. Thank You, JILL!
