

Graffiti / Vandalism / Arson Updated 10-29-2010

The purpose of this file is to document graffiti, vandalism, and arson in the Jungle Terrace Civic Association area. Someone may recognize some detail in the pictures that could help law enforcement find the perpetrator. If you have pictures to add, please send them to bluegrassbob@earthlink.net with the date taken and a comment describing the location and your observations. I will post the updated file on our web site www.jungle-terrace.org . If you feel you have some information that would help identify the perpetrator, please post your info on the Jungle Terrace Discussion list at <http://groups.yahoo.com/group/JTCA/messages> . Thanks... Bob Miller 343-4436

All of these are in soccer area except trash can (now a 2nd one) and the bridge abutment on the new bridge to WF Center. Keeping the gates locked to Soccer Parking lot will help also.
